

May 7, 2010

Dear TBS Families,

It's time to sign up for our **Fourteenth Annual TBS Student Recital!** I want to encourage all of our young musicians to share their talent and accomplishments with our community.

Students are invited to perform one piece on their own instrument or the school's piano, on **Sunday, May 23, 2010**, beginning at **2:30 pm in the Depot**. **Following the performances will be a short reception with cookies and juice.**

All performers, **please report 15 minutes early**, and be ready to be both a performer and a good audience member. There will be no formal rehearsal, so please be ready to play your pieces. **PLEASE BE ON TIME.** We need to start promptly.

All musicians: choose a piece you really like to play, as there will be only one piece per performer in order to keep our recital within a one-hour timeframe and accommodate all 5th performers who wish to take part. Exceptions: If you are also in a group performance, you may both perform with your group and do one solo piece. Groups, bands and ensembles: please contact me with all your details in ADVANCE. If you have electrical or special space needs, we need to figure those out beforehand. Thanks!

Please complete the form below and return it to either school office by Wednesday, May 19, or email all the info to me. If you have any questions, don't hesitate to call or email! ***If you participate, please plan to bring some cookies and/or juice for the reception.***
