

At The Berkeley School, Pick-a-Parties have united us around common passions for over a decade. We know how to come together as a community, have a great time, and are committed to benefiting our school in the process. We are grateful to our generous hosts for gathering us around fine food, wine, art, family outings, dance, crafts, unique experiences and more -- all in support of TBS. Thank you for your support of Pick-a-Party!

Are parties only for members of the TBS community?

Absolutely not! Come one, come all! TBS alumni & families, friends, extended family and neighbors are all welcome. Just forward this message & links so they may join in the fun, and expand the circle of support for TBS at the same time!

What happens after we buy our tickets?

We try to make this easy with the reminders below but ask you to first take a moment to enter all of your party dates into your calendar! You will receive an email confirmation for each party purchased. For example, if you purchase ten parties, you will receive a separate email for each party with the guest list.

Host communications: After you purchase your parties, your host will be in touch with any special instructions, party location, etc., several weeks before your party. You will also receive a reminder from Eventbrite 48 hours before your party.

What if I pay for a party but cannot attend?

If you don't attend a party you've signed up for, we ask that you consider your purchase a charitable donation to TBS.
