### Event Descriptions:

**Open House** events are held during school hours. Guided by student ambassadors, visitors will explore the campus before joining classrooms to observe our child-centered teaching in action. RSVP required to attend.

**Information Sessions** are faculty-led virtual events. Visitors will connect with our teaching and leadership teams, and have the opportunity to ask specific questions about our curriculum, learning outcomes, student support, student life, and more.

**New Family Welcome Social** is an adult-only social held for prospective families following admission. Admitted families are invited to join us for an evening of food, connection, and fun.

**Kindergarten Child Visits** are half-day events. Prospective students applying for kindergarten will spend the morning in our kindergarten classroom while parents connect with current families and alums.

**1st-8th Grade Shadow Days** are full-day events (1st and 2nd grade half-day). Prospective students will spend the day with their peer grade (6th grade applicants will shadow with 6th grade) to get to experience a day as a TBS student. Admission assessments are proctored during the Shadow Day.
